

CARE

CONTACT & CARE

Our church seeks to extend its fellowship to the whole congregation in two particular ways – through the Contact Scheme, where certain members of the congregation serve as ‘Contacts’ for a number of church households, and secondly through the Care Team who visit people who have specific needs at any particular time.

A Support Team seeks to coordinate the work of the many in our congregation who give of their time to these important aspects of our church life.

CONTACT & CARE

Role of Contacts

1. To get to know and be known by the people in their Area – by the occasional visit, telephone call, casual meeting etc.
2. To provide a positive interest in, and support for, the people in their Area – learning of background, interests, health, special needs etc
3. To act as a communication link within the church – passing on of information to Care Team member, minister, church administrator etc.

Role of Care Team Members

1. To support the Contacts and the Minister in visiting on a regular basis members who have particular needs – infirmity, illness, bereavement etc.
2. To give or arrange for specialised practical support and help for members at times of need – transport, shopping etc.

Our Aims:-

- . To express our love for God with our whole life, not just on Sunday
- . To demonstrate God’s love to others by meeting their needs
- . To present the Good News about Jesus in an appropriate way for those in our community
- . To encourage, and practically support those who belong to the body of Christ
- . To help people to become more like Jesus in their thoughts, feelings and behaviour
