

## CATFISH

### CATFISH

CatFish is our innovative children's creative arts worship team. The children use a range of media such as flags, ribbons and 'God Sticks', choreographed to modern and contemporary worship music.

The children also use puppets, also choreographed to modern worship music. They also act out short dramas to pre-recorded sound tracks.

Children's ages range from Primary 1 to Secondary.

### CATFISH

The children have participated in our morning worship services and at Supersonics (our monthly children's outreach event).

The children have arranged a number of key services including an all-age service on Christmas Eve 2007.

Recently the group was invited to participate in the morning service of a neighbouring church.

#### Our Aims:-

- . To demonstrate God's love to others by meeting their needs
- . To present the Good News about Jesus in an appropriate way for those in our community
- . To encourage, and practically support those who belong to the body of Christ
- . To help people to become more like Jesus in their thoughts, feelings and behaviour
