

EVANGELISM

JUST WALK ACROSS THE ROOM

As part of our vision to equip and enable our church family to reach others living far from God, we ran a four week sermon linked course on personal evangelism. 'Just Walk Across the Room' by Bill Hybels explains a natural, relational approach that follows Jesus' own example.

The four sessions suggested that we should;-

- Listen to the promptings of the Holy Spirit and to be prepared to walk into the Zone of the Unknown.
- Live in 3D by Developing Friendships, Discerning Next Steps and Discovering Stories.
- Discover the Power of Story -Our own story and God's redemptive story.
- Embrace Grander Vision Living- to go through life with an awareness of all people and that they are all children of God, loved by God and worthy of being redeemed.

JUST WALK ACROSS THE ROOM

A simple walk across the room. Think about anyone's journey to faith, your journey to faith and it typically began with a walk across the room.

Someone reached out a hand of friendship...
Spoke a kind word...
Asked a good question....
...and the rest was history

A simple walk across the room, this is something you can do.

This is something we all can do!

Our Aims:-

- . To express our love for God with our whole life, not just on Sunday
- . To demonstrate God's love to others by meeting their needs
- . To present the Good News about Jesus in an appropriate way for those in our community
- . To encourage, and practically support those who belong to the body of Christ
- . To help people to become more like Jesus in their thoughts, feelings and behaviour
