Sanctuary is here ...

In need of time for quiet reflection? Do you want a time to pray, reflect + or just pause a busy day briefly? Every **Friday in November** between **9am - noon**, the church sanctuary will be open and you are invited to come and use the space for any amount of time during the morning.

For more information please see Barbara MacLean, Hazel Bell or the church office.

The Guild Christmas night out will be on Thursday 7th December and the pantomime tickets are £11. Please see Joan MacDonald or the office.

Community Hubs

As part of the Local Area Resilience Plan Aberdeenshire Council have set up a system where certain key buildings will be used as community hubs in the event of local emergencies. Fetteresso Church Hall has been identified as one of these locations. The hall has been opened up a number of times in the past, notably during Storm Arwin and the Train Crash. We were on standby during the recent Storm Babet but did not require to open on that occasion.

The purpose of the hubs is to provide a place where people can be dry, warm and get a hot drink, charge their phones and make plans for what they do next if they cannot return to their homes that day. The plan is that the hubs would be open for the morning, afternoon and evening over 1 or 2 days but shutting down overnight. Procedures for how this will operate have not yet been developed but it is likely that we will require to provide some form of stewarding to allow others to operate in the building.

Fetteresso services are filmed and live streamed. Please be aware that the central first four rows may be in camera. Photographs may only be taken by our Social Media Co-ordinator, for our social media applications and church website. If you would prefer not to be included, please sit in one of the no camera zones. Thank you.
